## **6.0 SELECTION PROCEDURE FOR ADMISSION**

### **6.1. Ranking of Candidates**

Selection of Candidates for admission to all the Degree courses will be based on the Merit lists prepared by CENTAC, based on the marks arrived at by adopting the 'method of normalization', as detailed in para 6.2. below. Ranking of the candidates will be done based on the 'normalised marks' (rounded-off to three decimal places) arrived at, to a base of 200.

#### **6.1.1 For B.Tech. Degree Course**

Admission is based on the marks secured by the candidates in the prescribed subjects of the qualifying examination [i.e. *for II.Sc. Academic*: Mathematics, Physics and any one of the optional subjects (Chemistry / Bio-Technology / Computer Science / Biology / Botany & Zoology) & *for H.Sc. Vocational*: Vocational Subject Theory, Vocational Subject Practical and a related Subject] and 'normalizing' them by the prescribed procedure. Equal weightage will be given to all the three prescribed subjects. In case a candidate has appeared in more than any one of the above prescribed optional subjects, the subject in which the candidate has obtained the highest marks will be taken into

consideration for 'normalisation' and for calculating the actual total marks in the prescribed subjects. Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalized marks'.

### **6.1.2 For Other States/UTs Candidates Applying for Admission to B.Tech Degree course**

Candidates applying against other States / UTs' quota of seats, admission to B.Tech Degree course will be based only on the actual merit marks secured by them in "AIEEE"-2010 (All India Engineering Entrance Examination), and a separate merit list prepared for them. For such Candidates, the 'normalization procedure' is not applicable. However, if a Candidate has secured 'cumulative negative marks' in "AIEEE-2010", then such a candidate is 'not eligible' for admission to B.Tech Degree courses coming under the purview of CENIAC.

### **6.1.3 For all Biology-based Degree courses [other than B.Pharm. and B.Sc (MLT)]**

For all Biology-based Degree courses, excepting B.Pharm., and B.Sc. (MLT), i.e. for M.B.B.S./ B.D.S./ B.V.Sc & A.I./ B.Sc.(Nursing) / B.P.T., admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination (i.e. Biology / Botany & Zoology, Physics and Chemistry, including practicals), and 'normalizing' them by the prescribed procedure.

Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained the highest marks will be taken into consideration for 'normalisation' and for calculating the actual total marks, in the prescribed subjects.

Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalized marks'.

### **6.1.4 For B.Pharm. Degree Course**

Admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination

*i.e. for H.Sc. Academic: Physics, Chemistry and one of the following optional subjects (Mathematics / Bio-*

*Technology / Computer Science / Biology / Botany & Zoology) in which the candidate has scored the highest marks (including practicals) and 'normalizing' them by the prescribed procedure.*

Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained the highest mark will be taken into consideration for 'normalisation' and for calculating the actual total marks, in the prescribed subjects. Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalised marks'.

### **6.1.5 For B.Sc. (MLT) Degree Course**

Admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination

*i.e. for H.Sc. Academic: Biology/Botany & Zoology, Physics & Chemistry (including practicals) and 'normalizing them by the prescribed procedure.* Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained the highest mark will be taken into consideration for 'normalisation' and for calculating the actual total marks, in the prescribed subjects. Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks and hence the 'normalised marks'.

### **6.1.6 For Other States/UTs candidates Applying for Admission to B.Pharm., B.P.T., B.Sc. (MLT) and B.Sc. (Nursing) courses offered by MTPG&RIHS, Pondicherry**

Admission for candidates belonging to Other States / UTs for the above Degree courses, will be based on the 'inter-se merit list' drawn based on the 'normalised marks' of the prescribed subjects, for the respective courses.

## **6.2 Normalization Procedure**

In order to evolve a common base for comparing the marks obtained by the candidates from various Boards of Examinations (refer Annexure - II), 'normalisation procedure' as outlined below will be followed.

(i) The marks obtained by the students in the relevant subjects in the qualifying examination

conducted by the various Boards or Authority, shall be equated with the marks obtained by the students in the same subjects in the qualifying examination, conducted by the State Board (i.e. State Board of School Examinations, Tamil Nadu), by adopting the method of normalization.

**Explanation:** Under the method of normalization, the highest mark obtained by the students of various Boards in each subject, shall be equated to the highest mark obtained by the students of the State Board in that subject, and the relative marks of other students in that subject, shall be determined accordingly.

**Illustration:** If the highest marks secured by a student of the State Board, in Physics is 100 and the highest mark secured by a student of any other Board (say 'X'), in the same subject is 90, then, both the highest marks will be considered to be equal to 100. If any other student of the other Board (i.e. "X") secures 60 marks in Physics, when the first mark in Physics in the same Board (i.e. "X") is 90, then 60 marks secured by such a student will be considered to be equal to 66.667 marks as arrived at and given below:

$$(100 \times 60)/90 = 66.667\%$$

(ii) After normalization of marks of the eligible students of different Boards, in the relevant subjects, the 'normalized marks' obtained shall be merged into a 'common merit list'.

(iii) In cases, where more than one student have got the same marks in the 'common merit list', the 'inter-se merit' among such students shall be determined in the manner prescribed as in para 6.3 below.

(iv) For the purpose of normalization of marks of candidates from 'Other States', except for the B.Tech course, for all other such courses, wherever such quota is available, maximum marks obtained in the respective subjects, from among the various Boards under which the above candidates have actually studied and applied for a particular course, will only be considered.

**Illustration:** For B.Pharm course, if candidates from Andhra Pradesh, Madhya Pradesh and Maharashtra alone have applied against "All India quota", then, the above Boards and their maximum marks only will be considered, for the purpose of 'normalisation' of marks.

(v) The Director, School Education, Government of Puducherry, will be the designated authority, to furnish the 'maximum marks' in each of the 'prescribed subjects' for the various courses, of the various Boards of Examinations, and furnish it to CENTAC. For the

'normalization Procedure' only the above officially furnished data will be used and will form the basis for preparing the 'common merit list' for the various courses, coming under the purview of CENTAC.

### 6.3 Procedure for Breaking the "Tie" in the Merit Marks

When more than one candidate have got the same marks in the common merit list (i.e. the merit list prepared after merging the normalized marks of candidates from various Boards), the 'inter-se merit' among such candidates, for each course will be determined "in the order of priority" as specified in Table I.

**Table I : Order of priority for breaking the 'tie' in the 'normalised marks' for various courses.**

Sl. No.	Course	Order of priority specified for the course
1.	B.Tech	(i) Percentage of actual marks in Mathematics (ii) Percentage of actual marks in Physics (iii) Percentage of actual marks in third optional (specified) Subject (iv-a) 'Total normalized marks' of all eligible subjects prescribed for the course (OR) (iv-b) Total marks of all eligible subjects prescribed for the course ( <i>This priority is applicable only for candidates of 'Other States'</i> ) (v) Date of Birth (vi) Random number assigned
2.	All Biology-based courses	(i) Percentage of actual marks in Biology/Botany & Zoology (ii) Percentage of actual marks in Physics (iii) Percentage of actual marks in Chemistry (iv), (v) & (vi) as specified for B.Tech course ( <i>taken in that order</i> )
3.	B.Pharm.	(i) Percentage of actual marks in Physics (ii) Percentage of actual marks in Chemistry (iii) Percentage of actual marks in third optional (specified) subject (iv), (v) & (vi) as specified for B.Tech course ( <i>taken in that order</i> )

### 6.4 Admission to Professional Colleges in other states Against Seats Reserved for the Candidates from U.T. of Puducherry

Admission of candidates belonging to Union Territory of Puducherry to professional colleges (Engineering, Architecture, Medicine, Nursing, Pharmacy etc.) in 'Other States', against the seats reserved for Candidates from U.T. of Puducherry will be coordinated by CENTAC. However, they shall not be required to submit any separate

admission application for this purpose and hence the application/(s) normally submitted to CENTAC for admission to B.Tech. / Biology-based courses, will be 'treated as valid' for this admission also. The Directorate of Higher & Technical Education (DHTE), Government of Puducherry, and other concerned Authorities, will be furnishing the exact details of seats reserved in different Colleges/ Courses/ States to CENTAC, well before the commencement of the 'first schedule of counseling' to Professional courses (for 2010-11), which will be made available to all the candidates at the time of counselling.

### **6.5 Admission Procedure for Non-Resident Candidates ( i.e NRI/ NRI Sponsored/ Foreign Nationals) to B.D.S. & B.V.Sc. Degree courses**

Admission of the above candidates to B.D.S., & B.V.Sc., will be based on the norms/ procedure prescribed by the respective institutions offering the above courses (i.e MGPMDS & RAGACOVAS), respectively. All such candidates will have to contact the "DIRECTOR/DEAN" of the above Institutions, for all details, in this regard.

### **6.6 Admission Procedure for B.Sc. (Agri.) Course:**

Counselling and admission to B.Sc. (Agri.) course will be conducted separately at PAJANCOA&RI, Karaikal, and it will not be conducted by CENTAC at Puducherry.

However, the merit list prepared in the prescribed manner and released by CENTAC will be the basis for admission to the above course.

### **6.7 Display of Merit List**

The Merit Lists (separate for B.Tech., B.Pharm., and all other Biology-based Degree Courses) will be displayed on the notice board of the Office of CENTAC, located at Pondicherry Engineering College (PEC) campus, Puducherry and the same will also be made available in the official website [www.centacprof.net.in](http://www.centacprof.net.in). No separate announcement will be made in the newspapers, under any circumstances.

## **7.0 COUNSELLING FOR ADMISSION**

### **7.1 Venue**

Counselling for all the above degree courses will be conducted at the Office of the CENTAC, Chemical Engineering Block, Pondicherry

Engineering College (PEC), Pillaichavady, Puducherry - 605 014.

### **7.2 Date and Time**

Candidates will be called for counselling as per their order of merit in each course. Candidates to be called for counselling will be intimated through call letters or a public notification in local newspapers and in the official web site of CENTAC. No change of date / time of counselling is permissible. CENTAC will not be responsible for postal delay, if any, and non-delivery of counselling/intimation letters whatever may be the reason (s) therefor. [If the improvement marks are submitted by the candidate after the commencement of counselling, the actual seats available at the time of counselling will be made available to such candidates. However due weightage will be given to the improvement marks].

Candidates who do not attend the counselling on the specified date and time, have to forego their claim for admission. However, due to unforeseen circumstances and unavoidable reasons, if a candidate is unable to attend the counselling on the specified date and time, he / she can attend on a subsequent date and time during the counselling period for the course, with prior permission of "The Convenor, CENTAC". But, the candidate can only opt for the seat available at that time and cannot claim any seat as per his / her original rank for the course. In any case, counselling will not be done in the absence of candidates.

Unfilled seats and vacancies, arising out of the dropouts of already admitted candidates or due to the introduction of new courses or inclusion of new institutions, will be filled - up during the subsequent counselling. Details of such vacancies will be notified in newspapers and will also be made available in the official web site of CENTAC and such information will also be updated periodically. **Individual intimation will not be sent to candidates for Counselling of seats arising due to vacancies for the reasons mentioned above.** These vacancies "shall be open" to all candidates applied for admission through CENTAC, including the candidates already admitted during earlier counselling.

**Important Note:** Candidates admitted into any college/course during their subsequent counselling, shall join that college/course on or before the last date prescribed by the respective

colleges. Failure to do so will make them liable to "forfeit both the newly allotted seats and the seats in which they had been admitted" during the earlier counselling. CENTAC will not be responsible nor liable for such lapses, on the part of candidates.

No communication shall be sent to candidates who are not eligible to be called for counselling and no further correspondence in this regard will also be entertained.

### **7.3 Verification of Original Certificates**

Candidates called for counselling shall be required to submit all the documents in original for verification at the time of counselling. Candidates who fail to produce the required documents in original, shall not be counselled. However, if a candidate has deposited all or the required original certificates, with an institution where he / she has already been admitted, a letter to that effect issued by the Head of that institution should be produced. Only in that case, attested / true copy of the relevant certificates will be accepted for verification and counselling of candidates. The original documents submitted by the candidates to be admitted, shall be returned only after obtaining recognition from the respective Universities and hence the candidates are advised to take enough number of photocopies of the documents, before submitting the originals for verification during counselling and subsequently for admission to the courses.

### **7.4 Counselling Fee**

A non-refundable counselling fee of Rs.600/- (Rs.200/- for SC/ST candidates) will be collected from each candidate 'getting admission for the first time', to any of the Degree courses coming under CENTAC.

During every subsequent/supplementary counselling, the candidate will be required to pay an 'additional counselling fee' of Rs.400/- (Rs.150/- for SC/ST candidates) if, he/she 'takes admission in any other college/degree course/branch of study'.

The counselling fee should be in the form of 'Demand Draft' drawn in favour of "The Convenor, CENTAC", payable at Puducherry.  
*Payment by cheques, postal orders, money orders*

*and Cash will not be accepted.*

**No candidate will be allowed to attend the counselling without the prescribed counselling fee.**

### **8.0 ADMISSION**

Admission to all courses is based on the merit, category of the candidates, and the availability of seats at the time of counselling. All admissions made by CENTAC are "provisional" and are subject to approval by the respective Universities. Candidates who have been offered admission to a particular College should report to that College on or before the due date mentioned by CENTAC, in the 'provisional admission order', failing which, they will forfeit the right of admission. At any time, if the CENTAC / College authorities find that admission has been offered based on false/ incorrect information/ documents and suppression of relevant facts, education qualification or quota, the admission offered or the admission already completed shall be cancelled, irrespective of the stage of study of that course. Further, legal proceedings will also be initiated against such candidates for such action / (s). Hence, Candidates are warned against indulging in such action/ (s), in their own interest. All parents are also requested to make note of the above provision, and take due care and diligence, in all matters concerning admission to the various professional courses.
